"The water was glassy and calm, still candy-colored in the afterglow of sunset." — Stephen King. This tranquil bay sits on a lovely 100' beachfront lot in beautiful Dunrobin Shores. The Gatineau Hills serve as a majestic backstop to the vast expanse of the Ottawa River. The home sits high on the property with beautiful landscape features. Once in the main foyer, you will appreciate the ample space and picture windows offering an amazing river view. The open concept gives a nice flow through the home. The screen porch is a gateway between the dining area and outdoor entertainment space with an above-ground pool. The primary bedroom with a river view has a glorious 4-piece en-suite. Additionally, there are 2 other bedrooms and a full bathroom with a walk-in shower. The outdoor dining area has BBQ hook-ups and superb views of the river. The 3-car attached garage with a workshop will appeal to the handyperson. A new Generac was added in June 2024. There is a 24-hour irrevocable on offers
